Exhibitors Feedback

- We are exhibiting to acquire as many new business contacts as possible, to conduct negotiations with our regular and new partners and to present the new trade marks we have launched this year.
- We achieved 100% of our goals, we have met a lot of regional distributors and big trade chains among the visitor.
- Year by year the number of visitors is growing.

Visitor Profile:

- Electrical Engineers
- Architects
- Interior Designers
- Lighting Designers
- Industrial Product Designers
- Facility & Plant Technical Manager
- Lighting Products Representatives
- Retail & Chain Stores Representatives
- Members of Chambers & Associations
- Ministries & City Municipalities

Visitors Feedback:

- Taders from , Russia, Iraq, China, Turkey, CIS and Afghanistan visited exhibition.

They had direct negotiation with their potential partners in best way, had so many contacts.

They confessed Iranian industrial chandelier and lighting technology is the best and we would expand and develop our business relations more and more.
